WINSTORM II CARBON LIMBS

MATERIAL	Carbon / Glass fiber laminate & Foam core	
LENGTHS and POWER	66 inches	from 18 to 38#
	68 inches	from 20 to 40#
	70 inches	from 22 to 42#
POCKET	Interchangeable	

※ Bow lengths and weights based on 25" riser set-up. Shifting the same limbs to 23" riser will result in a bow weight increase of approximately 2lb. with 2" shorter bow length.

Winstorm limbs are supremely consistent and smooth to draw. Winstorm limbs are two kinds-carbon/foam limbs (Winstorm II) and carbon/wood limbs (Winstorm I). Carbon/foam limbs are more flexible and smooth to draw and carbon/wood limbs are accurate with affordable price.

WINSTORM I LIMBS

MATERIAL	Glass fiber laminate & Foam core
